T-NA Membership

We need your help. For the T-NA to accomplish its objectives & projects we need to raise more awareness and our membership needs to grow. As our membership base grows we will be representing a broader cross-section of the wider family community and the load will also be shared more evenly. (many hands make light work). Just by becoming a member of the Family's Association you will be playing an integral part toward us achieving our goals. If you know any other family members or friends who would be interested in joining, please give them a copy of the enclosed membership application. You can also download applications from the website.

Membership fees become due on the 1st January each year and can be paid by sending a cheque/money order, or a direct deposit into our account.

(As advertised on TV)

The ACCU Community Lottery 2010 ticket selling is now closed and the draw will take place at 10.00am on Saturday 24th July 2010 at Tea Tree Plaza Shopping Centre 976 North East Rd. Modbury SA. Members, families & friends sold 75 of the 80 books allocated to the T-NA, another great result in fundraising for the association's projects & activities. Some of the funds raised will be allocated for the restoration of the gravesites of Hero & Rosina and George & Eliza North.

T-NA's Donation to ECIC

The T-NA has made a donation to the Elliston Community Information Centre in recognition of the Elliston Community's efforts in the sales of ACCU Community Lottery books for 2009. M/C member Kerry Williams with the assistance of family, friends and community members sold 250 tickets, raising much needed funds for the ongoing projects & activities of the T-NA.

Website update

(<http://www.tramountanas1842.org/>)

We have made some additions to our website including a page to advertise businesses owned by members of the T-NA. If you would like to advertise your business please phone Mario, contact details below. There is also information about our new Wikipedia entry of George North & a page calling for Family Histories from North descendants. (see article below)

Calling for Family Histories

One of the projects that the T-NA wishes to pursue is the collating of histories from family members. So we are calling on ALL family who are descendants of George & Lydia North to write down their history and submit them to Mario Jaspers who will be collating them into Groups. Ie: Both George & Hero had 11 children each, but unfortunately one son from each did not live long enough to have a family, this leaves 10 lines from each and so there will be 20 family history groups. We need as much information as each group can supply and may we suggest that you start with the eldest generations first, because they are the link to previous generations and have the oldest stories to tell and as each generation passes, we lose that part of OUR history if it is not recorded. You could work in collaboration with cousins, uncles, aunties and grandparents and please include photos of early history/people/places etc. If we get a good response, the T-NA will consider publishing a book of these histories.

Immigration Place Project

<http://www.immigrationbridge.com.au/>

The T-NA would like to advise that fundraising for the Immigration Place Project is now coming to a close. If you would still like your name associated with this project (on our website) then please make your donation by the end of August 2010 by sending a cheque/money order or by direct deposit (quote "Imm Place" & your name as the reference)
